

# Year 4: Meerkats

## Summer Newsletter

April 2022

### Welcome back

The class have work extremely hard over the spring term and have produced work of an excellent standard. We look forward to more successes over the summer term!

### Raiders and Traders

We will be starting a new topic this term called “raiders and traders”, which will focus on Anglo Saxon and Vikings. We have an exciting trip planned in for the second half of the term to the Chiltern Open Air Museum. You will receive more information about this closer to the time.

### The Curriculum

In Maths this half term, we will be finishing our Mass, Volume and Length unit and will be moving on to Geometry. We will also have an opportunity this term to revisit areas that pupils found challenging from the autumn and spring term.

Our English lessons will be based around the story of Invasion by June Crebbin. This will be linked well to our raiders and traders topic.

In Science, we will carry on with our electricity unit where we will be learning about conductors, insulators and switches.

We will also continue to explore music through guitars, have Italian with Mrs. Wheeler and complete Learning and Life skills; as well as weekly spellings and handwriting.

Our Martin White PE lessons continue to take place on Tuesdays, Wednesdays and Thursdays. Correct kits should be worn and earrings should be covered with micro-pore tape.

### Dates for the Diary

Monday 2nd May: May Bank Holiday

Monday 23<sup>rd</sup> – Friday 27th May: Specialist Week- details to follow

Friday 27th May: Break up for half term.

Wednesday 8th June: Pupils return to school.

Thank you for your continued support.

Kind Regards,

Miss Verma and the Year 4 team
