Brilliant Bears are always busy!

Welcome!

Welcome to Barleyhurst Park Primary Nursery School. It is lovely to welcome back many of our children from last year, but also to welcome our new bears. We are looking forward to getting to know all the children in the next couple of weeks and becoming part of the school community.

This half term we will be setting up lots of different learning opportunities for the children to explore the inside and outside! We will also be spending time modelling how to use the different areas of learning safely with our friends.

We will support the children to become familiar with our daily routines such as self-registration, calendar, 'busy bear time', snack time, 'sing and rhyme', lunchtime, focused group time, write dance and Storytime. All children will continue to have focused group learning time and will also have a morning P.E session.

The children will be exploring and learning with all the key workers within the Nursery: Mrs Wolfe (Nursery teacher), Mrs Mrs Hunt, Miss Stangroom, and Mrs Beach. After two weeks of settling the children into the new learning environment they will be given a key worker. However, it is important to note that the children will be exploring and learning with all the adults within the nursery.

In the next couple of weeks our new children will receive an email from our online observation platform, Tapestry. Many of you will be familiar with this platform. Each week you will receive an update of your child within the nursery setting. Parents and Carers are also able to celebrate wonderful moments at home and post it on Tapestry for us to see.

This half term our stimulus is '*Down in the woods*'. We will be setting up activities which are based on familiar stories and the children's own experiences of going on walks to the woods with their family.

We will continue our mark making program *Write Dance*. It's an exciting music and dance approach to develop the skills needed for writing, which also helps with co-ordination, balance, flexibility, and stamina.

We will be continuing to have a 'helper' of the day. A child will be given special jobs throughout the Nursery Day, most importantly choosing their friends to get 'busy' with their learning after registration. This is a time of day we know the children enjoy and get very excited by.

Before we start each session in nursery we ask the children to remember three things, **Be Kind, Be respectful, Be safe**. Our golden rules will continue to be displayed and discussed.

We will be continuing our 'dib' box. Each child will be rewarded when an adult observes the children being, **kind, respectful and safe**. They will get a sticker for our class chart and once they have five, they will get a 'dib in the box'- a prize and then start to build up their next five stickers.
