

## Year 6 Gorillas Newsletter: June 2022

It seems everyone had an enjoyable half term break. Once more, all pupils have been a real credit to themselves with the way that they have returned to school: positive about their learning, ready to work hard and making good choices.

This half term is the final half term at primary school for all of the pupils in Year 6. By the time this academic year finishes, the children will have: completed their independent writing; rehearsed and performed their end of year play; prepared for secondary school; and participated in some fun end of year activities. Hopefully we will have some traditional, sunny June and July weather for these activities.

Some pupils may have already brought home their scripts to learn their lines for the part (or parts) that they have been assigned for the school play. More information about the play - Pirates of the Curry Bean - will be sent out in due course. In the meantime, please encourage your child to learn his/her lines and to read them loudly enough so that they can be clearly heard.

Before half term, we had Jubilee Week. In Year 6, we completed a range of work linked to Queen Elizabeth II and her 70-year reign as queen, such as: comparing her reign to that of Queen Victoria's, creating collages in the shape of her head, learning and singing 'Rise Up and Serve', and writing a fact file about her. To end the week, we had a Jubilee tea party which the whole school (pupils and adults) really enjoyed.

This half term, we will continue to complete work linked to our topic (I.D). We will also complete a range of activities that will help pupils to be better prepared for secondary school.

Our PE days will continue to be Tuesday, Thursday and Friday. Pupils will need to ensure that they have the correct PE kit in school on these days.

Finally, please remember to encourage your child to complete their homework to the best of their ability as this is good preparation for secondary school. If your child is unsure about how to complete a piece of homework, then encourage them to speak to an adult at school before it's due in. Homework is due in on Tuesday, every week.

I'm very much looking forward to our final half term together.

### Dates for the Diary

Tuesday 5<sup>th</sup> July: Year 6 enrichment day at Willen Lake

Thursday 21<sup>st</sup> July: Final day of the Summer Term

Kind regards,

Mr Cunningham and the Year 6 team
