

Update Summer Term 2022

Governors would like to thank parents and staff for their continued support so far this year.

At the beginning of the spring term each governor wrote to their delegated year to introduce themselves. This had a great response from pupils and helped them put a face to a name.

Our Chair of Governors set the year 6 pupils a challenge, asking them what they liked about school and what they thought could be improved. He had a good response and feedback highlighted the school's greatness, for example in Maths and PE. It also indicated how well the staff were appreciated by year 6. Governors were helped to understand what areas of the school could do with more focus.

Last term we welcomed a new governor to the board and she has already attended three meetings and will be a great asset to the board.

This term, governors will be carrying out in person visits to the school again, something we are looking forward to. Whilst our Chair of Governors has had visits over the past two terms other governors have kept contact via email to help protect staff and children of the school.

Finally it was so lovely to see so many of you at the Summer Fayre, what a lovely afternoon. Thank you to all the staff for organising and running the event and to you, the families, for coming along and joining in the fun.

Barleyhurst Park Governing Board
